Community Government Association

The mission of the Community Government Association (CGA) is to provide an opportunity for students to govern themselves in a democratic manner. CGA oversees various areas including: Community Activities, Kehr Union, University Store, Student Recreation Center, and Honeysuckle Student Apartments. They also provide guidelines for administering the affairs, activities, concerns and general well-being of all students under the jurisdiction of the university and they seek to establish working relationships and open lines of communication with administration, faculty and staff. CGA encourages diversity in all its efforts and seeks to encourage all constituents to become I-N-V-O-L-V-E-D in the governance process.

Jekyll & Hyde

Sunday, March 29, 2015 - 8 PM
Mitrani Hall, Haas Center for the Arts

Jekyll & Hyde was the enthralling musical based on Robert Louis Stevenson's classic story about a brilliant, but obsessive scientist whose alter ego wreaks havoc across Victorian London. The all new production portrayed the epic stuggle between good and evil. An evocative tale of two men - one a doctor, passionate and romantic, the other; a terrifying madman; and the two women in love with him, both unaware of his dark secret. As haunting and unforgettable as ever, Jekyll & Hyde is back!

On stage, they are Rani Arbo playing fiddle and guitar; Andrew Kinsey on bass, banjo and uke; Anand Nayak on electric and acoustic guitars; and Scott Kessel, percussion. They all sing, and their four-part harmonies soar, whether on a haunting Appalachian ballad, a Springsteen rocker or a Bahamian a capella song. Many of their songs plumb the human condition, with topics ranging from joy to death, loss, aging, blackbirds and red-haired boys. Musically, they reuse and recycle 150 years of American music, but what really sets this band apart is their connection - to each other, to the audience and to the music!

Take 6

Thursday, April 2, 2015 - 8 PM
Mitrani Hall, Haas Center for the Arts

The most awarded vocal group in history celebrates their 25th Anniversary. Their debut album, the eponymous "Take 6" released in 1988, won the group their first two (of 10) Grammy Awards for Best Jazz Vocal Performance by a Duo, Group, Choir or Chorus. It also earned them their first of three Dove Awards. Ten recordings later, their 2012 release "One", returns the group to their spiritual heritage. They are the quintessential a cappela group - six virtuosic voices unite in crystal clear harmony, against a backdrop of syncopated rhythms, innovative arrangements and funky grooves that bubble into an intoxicating brew of gospel, jazz, R&B and pop. Celebrating their 25 years with a new show, they shared the memories in the music of the past and revealed what the future holds in store!

Getting Involved! Students have many options to become involved in campus life. Becoming a member of the largest campus community is one of them! The Office of Greek Affairs works with around 25 organizations made up of almost 1000 students. Chances are there is a fraternity or sorority that is right for everyone! These pages are just a snapshot of Greek Life involvement at Bloomsburg, greeks are dedicated to getting involved and helping out in the local community; they also take part in various charity events throughout the year. ORIENTATION WORKSHOP LEADERS - OWLs

The Magic Begins... At Bloomsburg University.

OWLs are highly trained student leaders whose job it is to help new students adjust to life at **Bloomsburg University**. They serve as personal hosts and share their experiences, tips and strategies for success! At any given time there are more than 75 spirited **OWLs** ready to serve.

Orientation Workshop Leaders range from sophomores to seniors and cover nearly every major offered at BU. They live on and off campus and are each involved in an average of at least three other student organizations on campus. "Momma OWL" **Kristin Austin** is always keeping them active on campus.

Community Assistants are undergraduate students selected to work in the residence halls and apartment communities. Their primary focus is to develop community through organized programs and events, while building strong individual relationships with the students they serve. **CA's** assist students in their transition to college and provide support in their everyday lives here at Bloomsburg University.

Community Assistants are the go to mentors to make adjustment to college life as smooth as possible, some would say that they are the "**front-line of defense**" for all on-campus housing!

Amy Cunningham is always around to help with any issues and oversee all of the CA's on campus!

BU students leaving prints around the globe!

Summer Study Abroad Program . . . The Global Education Office at Bloomsburg University offers a variety of opportunities to study abroad during the summer. The office usually has special programs that allow students to go to certain countries while typically earning 6 credits at Bloomsburg. However, students can pretty much go anywhere in the world they want to go. The Global Education Office helps students find a country that best suits their needs for travel and course requirements. If Bloomsburg is not affiliated with a university in the country that a student wants to go to, they see about going through a third party or another university in order to gain access for the student. The Global Education office also helps the students to get all of their paper work in order and done on time. They also make sure the student's credits get transferred back to Bloomsburg. It is a wonderful experience that many students will never forget!

Trier, Germany

Brittany Doe

Trier is the oldest city in Germany and it is on the border of France, Belgium and Luxembourg. The city was so close to the border that it was easy to travel to other cities and countries on the weekends. Making it easy to make many friends from Italy, Greece, England, Ukraine and Boston. I loved Trier so much that I decided to study there again for the upcoming fall semester.

Clockwise from Left to Right: Breathtaking umbrellas were hung above the streets in Luxembourg. Next, we stopped for a group picture in Metz, France. The remaining three pictures were all taken throughout Germany.

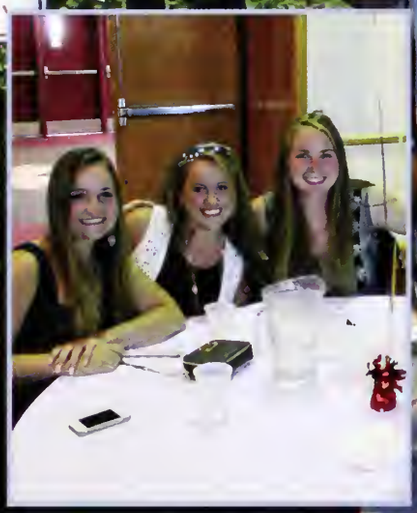
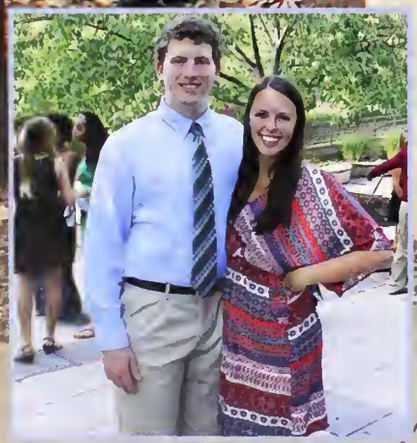
I was able to spend a week in London with my family after my semester in Plymouth, England. From Left to Right: This is the Queen's carriage on the Opening Day of Parliament. The next picture is of Windsor Castle, where the Queen spends most of her time. The London Eye is an iconic tourist attraction in London. It gives you a spectacular view of London. The guards are changing shifts at the Tower of London. Finally, I got to go to the Making of Harry Potter: Warner Bros. Studio Tour. This was by far the highlight of my entire trip!





Student Leadership Banquet

August 16, 2014

Sponsored by Residence Life, the Student Leadership Banquet~ Appreciation dinner was held on August 16, 2014 at 5 PM. All Community Assistants (CA's) and Orientation Workshop Leaders (OWLS) were invited, along with any graduate and professional staff that work in those areas!

According to Mark Dalessandro, the event was created as a "thank you" to the wonderful student leaders that help with new student move-in. CA's and OWLS work all week to help families unload cars, assist in parking, answer questions, move students in and everything else in-between.

Move-in is a very long and exhausting week, but our student leaders always get through it and always do so with smiles on their faces!

MEET the PRESIDENT

President's Perspective

"I was delighted to have the opportunity to participate in the "Meet the President" event for the second time early last fall. I always enjoy talking to students and, with this event, I was able to do so individually right outside of the Warren Student Services Center. I estimate that I spoke with more than 100 students about campus life, academics, and anything else they had on their minds.

One thing that made this year's "Meet the President" event more special was that I also completed the ALS Association's "Ice Bucket Challenge." Amyotrophic lateral sclerosis, more often known as "Lou Gehrig's Disease," is a severe condition that affects nerve cells in the brain and spinal cord. I was pleased to do my part to spread awareness about the disease and the amazing work being done by the ALS Association and to challenge our vice presidents to accept the "Ice Bucket Challenge" themselves.

Thanks to CGA, especially president Justine Albright, for originating and sponsoring the "Meet the President" events."

~Dr. David L. Soltz, President

CGA Perspective

"Meet the President is a great opportunity for students to ask Dr. Soltz any questions they may have or voice their concerns about the university. In the first two years of this event, CGA has achieved our goal of increasing communication between students and administration with over 1,000 students in attendance. Both the students and Dr. Soltz have enjoyed getting to know each other on a personal level."

Each year, Bloomsburg University students go to New York City on Program Board sponsored trips, but this year they weren't the only ones. . . this year the 82nd Rockefeller Christmas Tree was also making the trip from the home of Dan and Rachel Sigafoos of Hemlock Township!

The 85-foot, 13-ton Norway spruce made its way from Frosty Valley Road to New York City on November 5, 2014. It was later decorated and unveiled on the "Today" show for all to see!

The Program Board usually plans three different day trips to New York City each semester. Students may just take the bus and spend the time on their own or they can purchase discounted tickets to popular broadway shows or sporting events.

The Program Board also plans day trips to other destinations throughout each semester. Some destinations might include trips to Baltimore and Washington, D.C., as well as unique other places determined by the Program Executive Board Members.

Winter Study Abroad

Destinations: China ~ Poland ~ Germany ~ Austria ~ Italy ~ Switzerland

Beijing, China

Aaron Brown

Aaron reflects. . . "At first I was really apprehensive about going places, just getting on the bus terrified me to death because I couldn't read the signs, but after a couple months I started learning a lot more and I had friends who would help me out. I finally took the leap of faith and became fully immersed. Before I knew it, I had Chinese friends on either side of me, I was articulating myself in clear and understandable Chinese; all my dreams and hopes were coming true. I saw the Great Wall, the Forbidden City, and many other famous tourist attractions. I was surprised at how beautiful Beijing was, it wasn't the underdeveloped city I once was afraid to encounter. Overall, China is a beautiful country with thousands of years of history. I made tons of new friends from all over the world, learned Chinese and had a truly unforgettable experience. I am looking forward to going back after graduation and continuing my Chinese studies.

BU students leaving prints around the globe!

Winter Study Abroad Program . . . The Global Education Office at Bloomsburg University offers a variety of opportunities to study abroad. The office usually has special programs that allow students to go countries while earning credits at Bloomsburg. Students can pretty much go anywhere in the world they want to go. The Global Education office helps study abroad students to get all of their paper work in order and done on time. They also make sure the student's credits get transferred back to Bloomsburg. It is a wonderful experience that many students will never forget!

This winter the Poland trip was organized through Bloomsburg University and the courses that were taken earned students credit at BU. One class that students could take was devoted entirely to Jewish Studies.

Krakow, Poland

Katherine Sager

Clockwise from Left to Right: Cloth Hall in Krakow's Main Market Square at sunrise; Wavel Castle in Krakow; Praque, Czech Republic (which was a weekend trip for the students); a group shot of the students around a Soviet-era car and finally the infamous entry gate into the Auschwitz concentration camp. The saying on the gate is "Arbeit macht frei" which translates to "Work will set you free". As Katherine reflects about her experience she said, "I think adapting to life in a foreign country, plus functioning day-to-day when I knew only a few phrases of Polish, increased my self confidence. I can't imagine graduating now without having gone on this trip."

Justine Albright and Shannon Phillips decided to leave their prints on an independent trip overseas! Justine and Shannon had this to say, "This trip was an awesome opportunity to immerse ourselves in other cultures. It was a great learning experience and an amazing trip!"

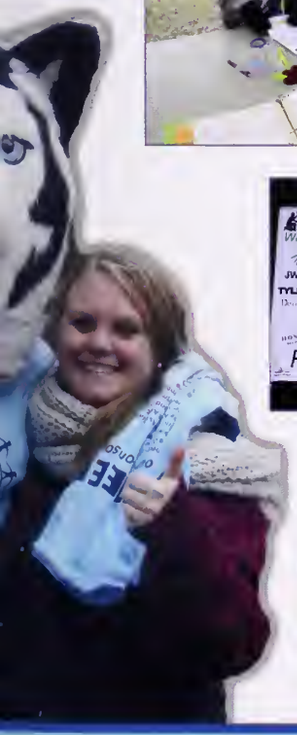
Each year a different group of students takes the helm of the CGA Executive Board and CGA Student Senate. While fulfilling their positions and respective duties, they also help organize the largest student-run community service project known as "The Big Event". CGA works hard to coordinate this one day event by combining campus, town and student officials. They work hard on aspects, such as: town recruitment, fundraising, transportation, student/organization/club recruitment each year...and this year was no exception!

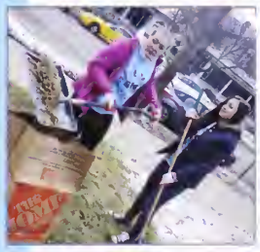
Roongo and former CGA President Ashley Wallace pose for a quick picture, "what a great job all!"

Giving Back!

March 28, 2015

It was a cold day topped off with a coating of snow, but that didn't stop the 6th Annual Big Event . . . in fact records were again broken! With more than 2,275 volunteers helping out at over 150 job sites throughout Bloomsburg. The Big Event is the largest student-run community service project, in which university students perform tasks and jobs for town residents to give back to the community that they call home for most of the year. In just one day, students go to homes, businesses and non-profit organizations and perform jobs that some are unable to do, don't have time to do or that just need done in the hopes of saying "**Thank you**" to all town residents!





Wave Cancer Goodbye!

Relay for Life took place on Saturday, April 11, 2015 from 6 PM to 6 AM at the Student Rec Center. Everyone helped "wave cancer goodbye" with this years beach theme! Bloomsburg University's Colleges Against Cancer sponsored the event and gave organizations/clubs the opportunity to join their team or enter as their own team. Bye-Bye Cancer!

Nelson Field House

The Big Sean concert was held on Thursday April 16, 2015. Students were excited about the concert at the start of the semester. This was one of the most anticipated events of the semester. Fans began lining up at the doors around 2:30PM even though the doors didn't actually open until 7PM. Topaz jones, a rising artist, opened for Big Sean and certainly got the crowd warmed up for the Detroit native. Topaz jones performed a few songs then let Big Sean take the stage around half past nine. The artist did not disappoint. He performed around 25 songs, including "All your fault", "Blessings and "A$$". The concert was a huge hit!

Bloomsburg **S**tudent **C**oncert **C**ommittee

The Bloomsburg Student Concert Committee is a committee of C.U.A. that plans major concerts of either music or comedy for the students at Bloomsburg University. They meet on a weekly basis to choose the right act at the right time to bring to BU. Once an act is booked they plan ticket sales, marketing and show preparation. On the day of a concert, they are the first to arrive and the last to leave. They make sure the show runs smoothly from start to finish. It is a lot of work, but truly a rewarding experience for committee members!

In total BSCC sold almost 3,000 tickets for this concert!! The first 2,400 tickets SOLD OUT within 48 hours!

Springfest - OUTER SPACE 2015

April 18, 2015 The 5th Annual Springfest kicked off on Upper Campus around 10 AM and ran throughout the day until around 6 PM with a wide variety of events to engage in! Everyone was able to express their "inner martian" with this year's fun theme, "Outer Space". Some fun attractions of the day included: Quest's High Adventure Zip Lines and Rock Wall, BU Corn Hole Toss, Bubble Soccer, Cash Cab, Crafts, Photo Booth, Ping Pong and an "Adopt a Mari-gold to Celebrate BU" to name a few. There were also "special events" throughout the day, such as: BU Time Capsule, Zumba, Dynamic Duos Contest, Group Dance Performances featuring Vice Versa and Bingo. A themed banner contest was held and various University Organization Activity Tables entertained all in attendance! Up for a challenge, then it's UFO Laser Tag or the Edge Inflatable Obstacle Course for YOU!

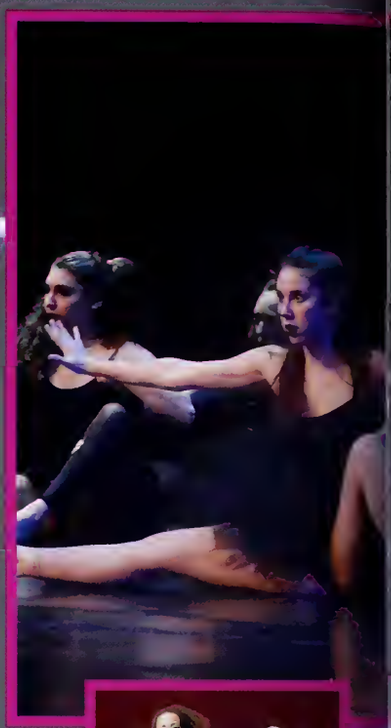
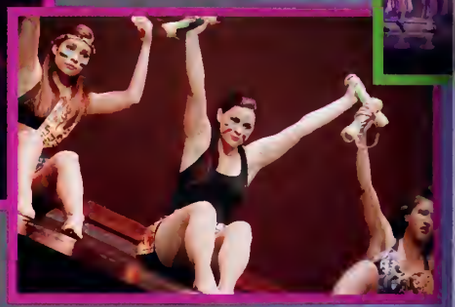
BU Dance Ensemble

The Bloomsburg University Dance Ensemble is the largest student run organization on campus. Over 150 members are involved in the organization. Each dance class is student taught and styles of dance can include: Acro, African, Ballet, Competition, Country, Hip Hop, Irish Soft and Hard, Jazz, Latin, Lyrical, Modern, Musical Theatre, Step and Tap. Each year the group organizes a Fall Showcase and a Spring Recital to show off their talents; but they also perform at various events both on and off campus each year. In addition, they also attend group competitions and have been awarded many medals and accolades for their performances!





A quote from . . .

I grew up watching the BU Dance Ensemble shows and I knew I wanted to be on stage as a part of the organization one day. As a freshman I joined the ensemble and was an active member all four years, taking as many classes as I could. I met some of my best friends through dance and I will never forget the memories I made with the BU Dance Ensemble.

Chelsea CORNELIUS

Chelsea Danielle ~ You are my sunshine, my only sunshine. You make me happy… As you graduate with honors you certainly shine for all of us today. "Sometimes the questions are complicated but the answers are simple", Dr. Seuss. You never questioned your major, you wanted to be an Elementary school teacher and honey you have earned that degree. Throughout these past few years I have been blown away by your passion and creativity when we would talk about your lesson plans or your bulletin boards and the over whelming sense of compassion you offer each child you spend time with. You build them up and help them believe in themselves, realizing the time you spend with them may be the only chance to leave a lifelong impression that will impact their life in a positive way. "Unless someone like you cares a whole awful lot, nothing is going to get better, it's not", Dr. Seuss. Your zero tolerance for bullying is commendable. I love your way of trying to make others see the harm this can cause and the simple fact that it is just not acceptable. Dr. Seuss has your back on this one he says "Why fit in when you can stand out?". Any child that encounters you throughout their school years will be very lucky for so many reasons. I know in my heart you have followed your dreams. From a very young toddler with all your student Teddy bears and dolls, you would be in front of their class room daily. These memories of your role playing will live in my heart forever. "Congratulations today is your day. You're off to great places, you're off and away", Dr. Seuss. "You have brains in your head you have feet in your shoes, you can steer yourself in any direction you choose. You're on your own and you know what you know. You are the gal who will decide where to go", Dr. Seuss. Chelsea Danielle from the moment you were born I held you in my arms with so much love in my heart and so much hope in my soul. I offer you these words today and always. "Don't cry because it is over, smile because it happened", Dr. Seuss. You'll never know dear how much we love you…..

Jesse,

"Each one of us has the ability to lead a dynamic life by pursuing our unique goals and dreams. There are no limits to what you can accomplish when you know who you are and have faith in what you can do." ~ Stedman Graham

Proud is not a strong enough word for how I feel to be your Dad; there should be a word stronger than proud in the way you make me feel. You have succeeded in your education and you have exceeded in becoming a leader rather than a follower, intelligent and beautiful young woman who thru "your" determination and hard work is ready to take on the next chapter in your life, which I know will be as successful as your last chapter. I'm proud of you and I love you! All my LOVE YOUR DAD! xo

I blinked to long because just yesterday you were that little girl learning to spell your name and now you're an intelligent, articulate, confident, beautiful and free spirited young woman who I'm "so proud" of! You've shown such dedication to your education and it shows! As you step into the next chapter of your life, remember to be "true" to yourself, remember "who" you are and remember that no dream is untouchable! I LOVE YOU, LOVEBUG! Love, Mom xxoo

We have come so far together from giggling camp kids to successful college graduates. It has been so great to grow up with you and to see you be more amazing every year! Although this is a huge milestone, I know this is just the beginning of an awesome life and friendship. LOVE YOU TONS, NEAR AND FAR! Love, Meggers xo

As you begin your next path towards your future dreams and accomplishments know that as you approach the finish line for each one I will be there crossing them with you! Congratulations and so proud of who you are! Love, Aunt Debbie xo

What to say about our niece, Becca that describes her in few words. Intelligent would be under rated, breathtaking would be an insult, generous would be unkind because all these words would just greatly be under serving be in the same sentence to describe her. We would just like to say we LOVE YOU with all our hearts. We're so proud of you, you have your whole life ahead of you, take it and run with it and never be afraid because you have a family that loves you and will always stand next to you and we will always be there to pick you up when you fall because we know you do not fail you may fall but you never fail!
